5) From the Statements furnished, there can be no doubt that the work of the Court has materially increased, that additional hands are absolutely necessary with the increase of work in the office. The amount allotted in the Budget for Judicial expenses is not sufficient even for the criminal courts as the estimate for furniture originally made have to be supplemented to a great extent on account of the increase in prices. The increase now pointed out does not appear admissible.

S i r,

The District Judge of Bangalore has forwarded with his recommendation for their acceptance proposals of the Munsiff of Kolar Gold Fields for strengthening the clerical and process establishments of his court by the addition of three clerks, one on Rs.35/-, one on Rs.30/- and one on Rs.20/- and of one amin of the second grade and five process peons (one of the first grade and four of the second grade) respectively in addition to the already existing establishments. The Munsiff has also proposed to raise the pay of the Court Nazir of his court from Rs.25—1—30 to Rs.35/- as his work has also increased considerably (vide the statement of the cash transactions of the court for the past five years) and he has in addition to the work which falls on such officials in other courts,

losed.

to

to attend also to the distribution in his accounts to several suits, of the moneys paid in by money order by the mining companies on consolidated warrants sent to them in execution proceedings against their employe's and the employe's of their contractors. The pay of the Head Munshi of the court is also proposed to be raised from Rs.40/- plus Rs.3/- to Rs.50/- plus Rs.4/- as he has to control a large establishment in a heavy court. The District Judge has recommended that the pay of the Process Nazir should also be raised to Rs.35/- on the ground that his work is fully as onerous as that of a Process Nazir of a first class Munsiff's Court.

I am directed to state that the Judges have carefully considered these proposals and are satisfied that the small cause and the execution work of the Kolar Gold Fields Munsiff's Court are by far heavier than the similar work of other courts in the State: (vide the accompanying statement) while the file of ordinary suits is as heavy as that of other moderately heavy courts and that the present establishment is inadequate to cope with the heavy work thrown on the office especially on the cash and the execution branches as well as the Process Department. As regards the work in the cash branch the granting of increased pay to the Court Nazir as proposed by the Munsiff cannot reduce his work nor give him real relief and prevent the work running into arrears. The Judges therefore recommend the appointment of a clerk on Rs.25/- to assist the Court Nazir in maintaining the several ledgers and the deposit register etc. To assist the Head Munshi in checking plaints and petitions which are received in large numbers and for checking and registering execution applications along with the execution clerk, the Judges consider that a responsible official of the pay and status of a Deputy

Munshi

Munshi is necessary and they recommend therefore the appointment of a clerk on a salary of Rs.35/-. Thus they recommend the addition of two hands one on Rs.35/- and the other on Rs.25/- to the existing clerical establishment.

Proportionate to the increase in the office work in all its branches the work of the Head Munshi has become more responsible and heavy and his pay is therefore recommended to be raised to Rs.50/- from Rs.40/- as proposed by the Munsiff. The pay of the Process Nazir also is recommended to be raised to Rs.35/- on account of the heavy process work of that court.

As for the increase of the process staff applied for the average work turned out by each amin and each peon in a year is more than thrice the minimum prescribed by the rules as will be seen from the statement received from the Munsiff (copy enclosed) and the Judges recommend that in order to give some relief to the overworked process staff of that court it should be strengthened by the addition of one second grade amin and four process peons of the second grade.

The cost of the addition both to the clerical and Process establishments recommended by this Court is Rs.122/- as against Rs.162/- proposed by the Munsiff and recommended by the District Judge.

I am to forward herewith a proposition statement for the additions suggested together with the usual local allowance and to request that the Government may be pleased to accord early sanction to it, the additional expenditure being met out of the provision of Rs.25000/- made in the

current

current year's budget for Judicial reforms.
